

IF YOU BRING A DOG YOU ARE RESPONSIBLE FOR KNOWING THE FOLLOWING:

You must notify Hauserman Rental Group in advance before bringing a dog. Most homes will accept ONE dog ONLY. None of our homes allow cats, birds or reptiles. Do not use the home as a kennel, and do NOT leave your pet unattended at any time!

Our owners who allow pets do so because they understand how your dog is part of the family. When you rent these pet lover's homes you need to **follow these rules**. Your deposit WILL be forfeited if you violate these conditions:

1. DO NOT LEAVE YOUR DOG UNATTENDED AT THE PROPERTY UNDER ANY CIRCUMSTANCES!
2. DO NOT ALLOW your dog on furniture or beds.
3. If your dog is dirty, wet or covered with snow, please wipe it off before it enters the home. Most owners have special "dog" towels for this purpose.
4. Bathing or washing your dog in the tub/shower or sink is STRICTLY PROHIBITED.
5. Please walk your dog when nature calls. Do not leave piles of poop. Clean up your dog's messes and dispose of them properly. Do not allow your dog to trample landscaping or to use neighbor's yard as a litter box!
6. If an accident happens in the house, please notify our rental office immediately so we can have the necessary cleaning done by a professional.
7. Please be aware that there are leash laws in effect in your area. Do NOT allow your dog to run through the neighborhood un-leashed or alone. Remember there are bears, coyotes & raccoons that can kill your pet if left unattended! Please keep your dog quiet, especially at night!

Veterinary phone numbers for the North Shore:
